

GYANENDRA CHAUDHARY

Full Stack Developer

Kirtipur, Kathmandu, Nepal | [+977 9864374699](tel:+9779864374699) | dev.gyanendrapc@gmail.com | [linkedin.com/in/gyanendra-chaudhary](https://www.linkedin.com/in/gyanendra-chaudhary) | github.com/gyanendra-chaudhary

Summary

A skilled Full Stack Developer with experience in designing, developing, and implementing software solutions, proficient in both front-end and back-end technologies including ReactJS, ASP.NET Core, and various SQL databases. Industry expertise includes leveraging Agile methodologies for project management and employing tools such as JIRA and Git for efficient collaboration and issue resolution. Proven ability to integrate third-party APIs and Microsoft Graph API to enhance system functionalities while optimizing code performance and user experience through various ReactJS frameworks. I have completed my Bachelor's degree in Computer Applications (BCA) from Tribhuvan University. Seeking opportunities to apply expertise in innovative software development roles aimed at creating robust applications that improve operational efficiency.

Work experience

Avishkaram Technologies

2022-08 - present

Full Stack Developer

- Designed, developed, and implemented software applications using front-end technologies such as HTML, CSS, JavaScript and ReactJS, alongside back-end technologies like ASP.NET Core.
- Optimized databases with SQL technologies to ensure efficient data storage and retrieval processes.
- Utilized Git version control systems for repository management, enabling effective collaboration among team members.
- Actively participated in Agile practices, including daily stand-up meetings and sprint planning sessions, ensuring timely delivery of projects while maintaining adherence to coding standards.
- Integrated third-party APIs and utilized Microsoft Graph API and WebJobs to enhance software capabilities, enabling seamless interactions with external systems and Microsoft services.
- Contributed to in-house projects utilizing Dot Net and ReactJS frameworks such as CoreUI, Material UI to deliver high-performance interfaces and optimized application functionality.
- Domains Worked In:** LegalTech, Productivity & Collaboration Tools, CRM Solutions and anti-phishing/verification services

Saayami Technologies

2021-12 - 2022-08

Software Developer Intern

- Contributed to the development of a management system, achieving error reduction and streamlining operational workflows.
- Designed and implemented dynamic user interfaces using HTML, CSS, and JavaScript/jQuery, improving usability and functionality.
- Optimized MySQL queries to enhance system performance, enabling faster data retrieval and improved efficiency.
- Integrated JavaScript libraries for effective dataset handling in the UI, resulting in faster page load speeds and more responsive user experience.
- Executed performance-oriented database enhancements to strengthen system stability and reliability.
- Delivered efficient solutions aligned with organizational requirements to support a seamless user experience.
- Domain Worked In:** Hospitality & Food Service Management

Education

Hetauda City College

2023-01

T.U.

BCA, Hetauda City College | 2018 - 2023

- ** Completion extended due to COVID-19 disruptions **

Skills

- Programming Languages: C#, JavaScript, TypeScript, SQL
- Backend Development: ASP.NET Core, ASP.NET MVC, ASP.NET Web API, Entity Framework Core, Dapper
- Frontend Development: ReactJS, HTML5, CSS3, jQuery, UI, Responsive Design
- Databases: MS-SQL, MySQL
- DevOps & Tools: Git, Jira, Teams
- Microsoft Stack: Microsoft Graph, Office.js
- Architecture & Design: OOP, SOLID Principles, REST API
- Testing: xUnit

Certifications

- ASP.NET Core Training - Broadway Infosys, Kathmandu (2022, 113Hrs)
- Web Page Designing - NIIT Birgunj (2016, 3 Months)
